

ARTICLE 5: To see if the Town will vote to approve the concept for the redevelopment of the waterfront public works property (identified on the Town's Tax Maps as Map U01 and Lot 001) as depicted in the "Site Master Plan, Town of Bowdoinham, ME" dated February 12, 2019, prepared by Richardson & Associates (Landscape Architects) and Baker Design Consultants (Civil, Marine, and Structural Engineers), a copy of which is attached and incorporated herein by reference?

Explanation: This article seeks the Town's approval only for the redevelopment plan concept (not funding). There is no request at this time for appropriation of funds. Any funding for the future implementation of this concept plan would need to be approved by the Town meeting, or, by the Select Board after a public meeting if any TIF, grant, or other funds become available for said implementation.
