Five Buds Farm LLC is applying to operate a Medical Marijuana Indoor Cultivation facility within the Libby Holdings Business Park at 112 Pond Road, Suite B, in Bowdoinham. Our goal is to operate as a Medical Caregiver Cultivation with a 500ft flowering Canopy.

Five Buds Farm LLC is operated by three partners; Stan D'Orio of Bowdoin, Peter Chavonelle of Windham, and Taber Newton of Brunswick.

Five Buds Farm LLC is committed to providing our patients with the highest quality medical marijuana. Our indoor cultivation practices aspire to be natural and pesticide free, with minimal waste.

The buildout for Five Buds Farm LLC will be overseen and carried out by North Country Restoration and Remodeling LLC of Bowdoin.

--

There is an existing Site Plan for the Libby Holdings LLC Business Park. (R2 63F) – Attached is a reduced copy of that plan (Already approved and on file with the town), with Suite B indicated. In the attached Lease the unit is referred to as Suite B, in the town site plan this unit is referred to as Unit 1.

--

Exterior Modifications:

There are existing flood lights in place at the Business Park, however we will be adding motion activated security lights at both the front and rear doors of Suite B. Aside from the flood lights Five Buds Farm LLC has no plans for any exterior modifications to the building with the exception of the addition of, at least, 2 heat pumps.

The security lights to be added at the front and rear are 45w LED, motion activated lights, and will not disperse light beyond the business park.

--

Five Buds Farm LLC has finalized a 2 Year Lease agreement with Libby Holdings LLC for Suite B at 112 Pond Road

--

There are existing dumpsters on the site. All plant material to be discarded will be secured in large contractor bags, zip-tied, and placed into a locked dumpster on site.

--

Employees:

Currently Five Buds Farm only employs the partners of the LLC. On average no more than two employees will be on site at a time, for an average of approximately 30 hours a week. Most business will be conducted between the hours of 7:00am and 6:00pm Monday-Saturday.

--

Parking is more than ample for our needs.

--

Water is supplied by an existing well. We anticipate an average of approximately 10g/day to be required.

There is no public water access at the business park. A study was conducted in 2017 by Pine Tree Engineering, INC assessing the cost of extending public water to 112 Pond Road (Letter Attached). At the time the estimated cost was \$270,000 with 112 Pond Road being at the far end of the extended main. Even divided by other properties on Pond Road, this cost would come perilously close to adding over 50% to Five Buds Farms LLC start up costs, making it impossible for Five Buds Farm LLC to start operations in Bowdoinham.

--

There is an existing septic system on site, with a shared restroom for the business park.

--

Electric was recently upgraded to dedicated 200amp service for this unit.

--

The interior plan is attached. There is an existing office and common room that Five Buds Farm LLC plans to retain.

--

Temperature will be managed by two Heat Pumps; one in the primary growing room and a smaller unit in our processing room. At the moment it appears as though both units will be Fujitsu, with the larger being a 18,000btu unit and the smaller a 6,000btu unit.

Humidity will be managed by freestanding dehumidifiers. In harmony with our commitment to minimal waste; water from the humidifiers will be collected in a water barrel and then recirculated into watering our plants.

--

Exterior Odor Mitigation and interior air quality will be managed by carbon filters. We will be utilizing an interior scrubbing system consisting of 2 Can-Filter 600cfm filters with Can-Fan 10" fans.

With this interior scrubbing system we do not anticipate external odors to be a problem.

--

The growing practice will utilize CO₂ inside the building. In conjunction with this we will be utilizing multiple destratification fans and monitoring CO₂ Levels.

--

Security:

In addition to the additional exterior security lights, we will be installing a full security system. Only Five Buds Farm LLC partners and employees will have access to the unit. Processed and packaged product will be locked separately within the processing room.

--

We are happy to provide any additional information, and address any concerns the Planning Board may have. We look forward working with you and within the community.

Thank you,

If the Tenant refuses or neglects to keep the Leased Premises in good order and repair as required hereunder to the reasonable satisfaction of Landlord, Landlord may, at its option, make such repairs, and complete such activities and Tenant shall pay Landlord's cost for making same. Section 1951 et seq., (y) 14 M.R.S.A. Section 6013, or (z) any other manner not prohibited by law. For purpose of this Lease, the sale of stock of a corporate Tenant, the change of a general partner of a partnership Tenant or the change of a Member of a Limited Liability Company Tenant shall constitute an assignment of this Lease.

This provision shall not be interpreted as meaning that the Tenant has any authority or power to permit any lien of any nature or description to attach or to be placed upon the Landlord's title or interest in the Building, the Leased Premises or any portion thereof.

- h. Tenant agrees that with notice and if accompanied by tenant (unless in the case of an emergency,) Landlord may enter the Leased Premises at any time to install, maintain, use, repair and replace pipes, ducts, wires, meters and any other equipment, machinery, apparatus and fixtures in said Leased Premises to serve said Leased Premises and to serve the Building.
- i. Tenant will defend and, except to the extent caused by the gross negligence or willful conduct of Landlord, will indemnify Landlord and its employees, agents and management company, and save them harmless from any and all injury, loss, claim, damage, liability and expense (including reasonable attorneys' fees) in connection with the loss of life, personal injury or damage to property or business, arising from, related to, or in connection with the occupancy or use by Tenant of the Leased Premises or any part of Landlord's property or the Building, or occasioned wholly or in part by any act or omission of Tenant, its contractors, subcontractors, subtenants, licensees or concessionaires, or its or their respective agents, servants or employees and any person or property while on or about the Leased Premises. The provisions of this paragraph shall survive the termination or earlier expiration of the term of this Lease. Without limitation of any other provision herein, neither the Landlord, its employees, agents nor management company shall be liable for, and Tenant hereby releases them from all claims for, any injuries to any person or damage to property or business sustained by Tenant or any person claiming through Tenant due to the Building or any part thereof (including the Leased Premises), or any appurtenances thereof, being in need of repair or due to the happening of any accident in or about the Building or the Leased Premises or due to any act or neglect of any Tenant of the Building or of any employee or visitor of Tenant. Without limitation, this provision shall apply to injuries and damage caused by nature, rain, snow, ice, wind, frost, water, steam, gas or odors in any form or by the bursting or leaking of windows, doors, walls, ceilings, floors, pipes, gutters or other fixtures; and to damage caused to fixtures, furniture, equipment and the like situated at the Leased Premises, whether owned by the Tenant or others.
- j. Tenant shall insure Tenant and Landlord, as their interests appear, with commercial general liability insurance including Broad Form Comprehensive General Liability coverage on the Leased Premises, in such amounts and with such companies and against such risks as the Landlord shall reasonably require and approve but in amounts no less than two million dollars (\$2,000,000) combined single limit with a deductible of no greater than Five thousand dollars (\$5,000) and on an occurrence basis. Further, Landlord will be named "additional insured" by the insuring insurance company. Tenant shall insure Landlord and Tenant, as their interests appear, against loss of the personal property of the Leased Premises under standard Maine form policies, against fire and standard extended coverage risks, in such amounts and with such companies as the Landlord shall reasonably require and approve, with waiver of subrogation if such waiver can be obtained without charge. Tenant shall provide Landlord with a binding certificate evidencing the insurance obligations imposed by this paragraph prior to occupancy of the Leased Premises by Tenant.
- k. Tenant agrees that Landlord or its agents may examine the Leased Premises with notice to and accompanied by the tenant, (except in the case of an emergency) and, if Landlord shall so elect, to make any repairs or additions (structural or otherwise) Landlord may deem necessary. At Tenant's expense Landlord or its agents may remove any alterations, additions, signs, awnings or flagpoles, or the like, not consented to in

writing. Landlord may show the Leased Premises to prospective tenants during the six (6) months preceding the expiration of this Lease and to prospective purchaser and mortgagees at any time.

- ± Tenant agrees that acceptance by Landlord of a lesser sum than the rent, or other fees or charges then due shall not be deemed to be other than on account of the earliest installment of such rent or other fees or charges due, nor shall any endorsement or statement on any check or any letter accompanying any check or payment as rent or other payments be deemed an accord and satisfaction. Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such
- iii. Tenant agrees that without limitation of anything elsewhere herein contained, the Landlord may,
 - (i) retain and use in appropriate instances keys to all doors within and into the Leased Premises and to change the locks to the Leased Premises if Landlord deems it advisable. No lock shall be changed by Tenant without the prior written consent of Landlord;
 - (ii) enter upon the Leased Premises and exercise any and all of the Landlord's rights without being deemed guilty of an eviction, trespass or disturbance of Tenant's use or possession and without being liable in any manner to Tenant.
- n. Tenant agrees to refrain from smoking in the Leased Premises or anywhere else within the Building, and to prohibit others from doing the same.
- o. Tenant shall reimburse Landlord on demand for up to 10% of any increase by which Tenant's particular use of the Leased Premises causes Landlord's insurance premiums to be higher than they would otherwise be if the Leased Premises were used for current uses already existing on the site.
- p. Tenant shall store and dispose of trash and refuse in such a manner as to ensure compliance with all municipal and state fire, safety and health ordinances and to prevent trash or refuse from being a nuisance to the other occupants of said Building and their customers, guests, invitees or employees.
- q. Tenant shall be responsible for compliance with any applicable life safety and handicapped accessibility laws with respect to the Leased Premises. Tenant shall also be responsible for compliance with any applicable handicapped laws within the common areas if a change in the common areas is necessary due to Tenant's occupancy in the Building.
- r. Tenant and Landlord agree to pay prevailing party's expenses, including reasonable attorney's fees, incurred in enforcing any obligation of this Lease.

8. Utilities. Tenant shall, at its expense, provide for all separately metered utilities used or consumed in/at the Leased Premises including but not limited to gas, electricity, cable, internet services and telephone. In no event shall Landlord be liable for an interruption or failure in the supply of any such utilities to the Leased Premises, or be liable for consequential damages resulting from such interruption or failure. Landlord shall have no obligation to install utilities other than those serving the Leased Premises as of the date hereof.

9. Holdover. If Tenant remains in possession of the Leased Premises after the expiration of the term of this Lease, such holding over shall not be deemed to create any tenancy, but Tenant shall be a Tenant at sufferance only subject to all of the Tenant obligations set forth herein, but at a daily rate equal to two (2) times the base rent and other charges provided for under this Lease. The acceptance of a purported rent check following termination shall not constitute the creation of a tenancy at will, it being agreed that Tenant's status shall remain that of a tenant at sufferance at the aforesaid daily rate.

10. Casualty Damage and Eminent Domain. Should a substantial portion of the Leased Premises, or of the property of which they are a part, be damaged by fire or other casualty, or be taken by eminent domain, the Landlord may elect to terminate this Lease. When such fire, casualty or taking renders the Leased Premises unfit for use and occupation and the Landlord does not so elect to terminate this Lease, a just and proportionate abatement of rent shall be made until the Leased Premises, or in the case of a partial taking which may remain thereof, shall have been put in a proper condition for use and occupation. Landlord reserves and excepts all rights to damages to the Leased Premises and Building and the leasehold hereby created, accrued or subsequently accruing by reason of anything lawfully done in pursuance of any public or other authority; and by way of confirmation, Tenant grants to Landlord all Tenant's rights to such damages and covenants to execute and deliver such further instruments of assignment thereof as Landlord may from time to time request. Landlord shall give Tenant notice of its decision to terminate this Lease or restore the Leased Premises within ninety (90) days after any occurrence giving rise to Landlord's right to so terminate or restore. Notwithstanding anything to the contrary, Landlord's obligation to put the Leased Premises or the Building in proper condition for use and occupation shall be limited to the amount of the proceeds from any insurance policy or policies or of damages which accrue by reason of any taking by a public or other authority, which are available to Landlord for such use, after deducting the costs incurred by Landlord to collect the same.

11. Default. In the event that:

- a. Tenant shall default in the payment of any installment of rent or other monetary sum herein specified when due; or
- b. Tenant shall default in the observance or performance of any of the Tenant's non-monetary covenants, agreements or obligations hereunder and such default shall not be corrected within ten (10) days after written notice thereof (except with respect to Tenant's insurance obligations hereunder, for which Tenant shall have one (1) business day to cure); or
- c. The leasehold hereby created shall be taken on execution or by other process of law; or
- d. Any assignment shall be made of Tenant's property for the benefit of creditors, or a receiver, guardian, conservator trustee in bankruptcy or similar officer shall be appointed by a court of competent jurisdiction to take charge of all or any part of Tenant's property, or a petition is filed by or against Tenant or any Guarantor under any bankruptcy, insolvency or other debtor relief law,

Then and in any of said cases, Landlord shall be entitled to all remedies available to Landlord at law and equity including, without limitation, the remedy of forcible entry and detainer, and Landlord lawfully may, immediately or at any time thereafter, and without demand or notice, mail a notice of termination to Tenant or, if permitted by law, enter into and upon the Leased Premises or any part thereof in the name of the whole and repossess the same as of its former estate, and expel Tenant and those claiming by, through or under it and remove it or their effects without being deemed guilty of any manner of trespass, and without prejudice to any remedies which might otherwise be used for arrears of rent or preceding breach of covenant, and upon such mailing or entry as aforesaid, this Lease shall terminate; and Tenant covenants and agrees, notwithstanding any entry or re-entry by Landlord, whether by summary proceedings, termination, or otherwise, that Tenant shall, as of the date of such termination, immediately be liable for and pay to Landlord the entire unpaid rental and all other balances due under this Lease for the remainder of the term. In addition, Tenant agrees to pay to

Landlord, as damages for any above described breach, all costs of reletting the Leased Premises including real estate commissions and costs of renovating the Leased Premises to suit any new tenant.

In addition to and not in derogation of any and all remedies of Landlord hereunder or at law or in equity, if Tenant shall default in the performance of any agreement, covenant or condition in this Lease contained on its part to be performed or observed, and shall not cure such default within applicable cure periods, Landlord may, at its sole option, without waiving any claim for damages or for breach of this Lease or any of Landlord's other remedies hereunder, at any time thereafter, cure such default for the account of Tenant, and Tenant agrees to reimburse Landlord for any amount paid by Landlord in so doing (including without limit reasonable attorneys' fees) as Additional Rent and save Landlord harmless from any liability incurred thereby. Any such reimbursement shall be due immediately upon demand therefor.

12. Limitation of Liability. Notwithstanding anything to the contrary contained in this Lease, Tenant agrees and understands that Tenant shall look solely to Landlord's interest in the Building and any insurance carried by Landlord in the Leased Premises for the enforcement of a judgment (or other judicial decree) requiring the payment of money by Landlord to Tenant by reason of default, breach or event of default of Landlord in performance of its obligations under this Lease or Landlord's negligence, it being intended that there will be absolutely no personal liability on the part of Landlord, its principals, officers, directors, employees or agents, and no other assets of Landlord shall be subject to levy, execution, attachment or any other legal process for the enforcement or satisfaction of the remedies pursued by Tenant in the event of such default, this exculpation of liability to be absolute and without exception whatsoever. In no event shall Landlord ever be liable to Tenant for any consequential, indirect or punitive damages.

13. Subordination and Estoppel

a. This Lease shall be automatically subject and subordinate to any and all mortgages, deeds of trust and other instruments in the nature of a mortgage, now or at any time hereafter a lien or liens on the property of which the Leased Premises are a part and Tenant agrees to attorn to and recognize any holder of such mortgage or instrument or any purchaser of the Leased Premises as Landlord for the balance of the lease term, the foregoing agreement being self-operating. Tenant agrees, within ten (10) days of a request by Landlord therefor, to execute an instrument subordinating this Lease to any mortgage now or hereinafter placed upon the Premises by Landlord and, if required by the mortgagee, to agree not to prepay rent more than ten (10) days in advance, to provide said mortgagee with notice of and reasonable opportunity to cure any defaults by Landlord, and not to amend, modify or cancel this Lease without mortgagee's written consent. Tenant agrees to recognize the holder of such mortgage or any other person acquiring title to the Premises as having the rights of the Landlord and to attorn to said holder or other person if requested. Tenant agrees to execute and deliver any appropriate instruments necessary to carry out the foregoing provisions.

b. The Tenant within three days upon request in person or within five days upon request by mail, shall furnish to the Landlord and/or mortgagee a written statement, duly acknowledged, setting forth the rental amounts due under this lease agreement, the terms of payment and expiration date or renewal option of the lease, the date to which rent has been paid, an acknowledgment that rent has not been prepaid, whether any offset or defenses exist against the rent due, and if any are alleged to exist, the nature thereof shall be set forth in detail, and any other information reasonably requested in connection with this lease. The failure of Tenant to execute, acknowledge, and deliver to Landlord a statement in accordance with the provisions of this paragraph within the period set forth shall constitute acknowledgement by Tenant, which may be relied upon by Landlord and third parties that this Lease has not been assigned, amended, changed

or modified, is in full force and effect and that the Rent, and other additional charges, if any, have been duly and fully paid not beyond the respective due dates immediately preceding the date of the request for such statements, in addition it constitutes a waiver of any defaults by Landlord or defenses or offsets against the enforcement of this Lease by Landlord which may exist prior to the date of the written request, and finally, Landlord, at its option, may treat such failure as an event of default.

14. Successors and Assigns. The provisions of this Lease shall inure to and be binding upon the respective successors, heirs, executors, administrators and assigns of Landlord and Tenant (to the extent Landlord shall, at its sole discretion, elect to consent to such assignment). In the event of any transfer of Landlord's interest in the Leased Premises, Landlord shall cease to be liable for and shall be released from all liability for the performance or observation of any agreements or conditions on the part of Landlord to be performed or observed subsequent to the time of said transfer, it being understood and agreed that from and after said transfer, the transferee shall be liable.

15. Waiver. Failure of Landlord to complain of any act or omission on the part of Tenant, no matter how long the same may continue, shall not be deemed to be a waiver by Landlord of any of its rights hereunder. No waiver by Landlord, express or implied, of any breach of any provision of this Lease shall be deemed a waiver of such provision or of a subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of said action on any one occasion shall not be deemed a consent to or approval of any other action on any occasion.

16. General. This Lease is made in and shall be governed by and construed in accordance with the laws of the State of Maine. The captions and headings contained in this Lease are for convenience only and shall not be taken into account in construing the meaning of this Lease or any part thereof. As to the obligations of each party hereunder to perform his or its undertakings, promises, covenants and obligations hereunder, time is of the essence. If any term or provision of this Lease, or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law. Tenant agrees not to record the Lease. **TENANT AGREES TO WAIVE ITS RIGHT TO A JURY TRIAL SHOULD LITIGATION ARISE BETWEEN LANDLORD AND TENANT.** This Lease constitutes the entire agreement between Landlord and Tenant with respect to the subject matter contained herein and there are no understandings, agreements or representations between Landlord and Tenant which are not contained herein. This Lease cannot be amended except by written instrument executed by Landlord and Tenant. The rights and remedies to which the Landlord may be entitled under the terms of this Lease are cumulative and are not intended to be exclusive of any other rights or remedies to which the Landlord may be properly entitled in case of any breach or threatened breach by Tenant of any portion of the Lease.

17. Notices: Whenever by the terms of this Lease, notice shall or may be given either to the Landlord or to the Tenant, such notice shall be in writing and shall be sent by certified mail, return receipt requested, postage prepaid, to the address set forth below, or a subsequent address designated by either Landlord or Tenant. Notices from Landlord to Tenant shall be deemed to have been given when mailed.
