## Skiing Level Description

### Level 1 (Beginner)

**Level 2 (Wedge Turns)**  
I can make control linked wedge turns to the bottom.  
I can control linked wedge turns and make spontaneous wide and narrow turns.  
I can make spontaneous turns and come to a complete stop by turning in either direction.

**Level 3 (Wedge Christie)**  
I have begun working on reducing the size of my wedge turns.  
I can start all my turns in a wedge and bring my skis to a match at the end of each turn.

**Level 4 (Adv. Wedge Christie)**  
I have begun working on adv wedge christie (bringing my skis together early in the turn.)  
I can wedge my skis slightly at the beginning of each turn but bring them together very early in my turn.  
I can ski moderately and I am beginning to use my inside pole as a timing steady devise.

**Level 5 (Open Parallel)**  
I have begun to work on keeping my skis parallel without a wedge.  
I can change the edges of my skis at the same time without a wedge.  
I can use a pole touch to time and steady my turns.

**Level 6 (Dynamic Parallel)**  
I can use my whole body towards the new turn to change directions.  
I can Swing and touch my pole to the snow to start each turn.  
I am linking parallel turns continuously.
