Advocating the right to quality, affordable health care for every man, woman, and child.

Who can get help at Free Clinics?

Free Clinics can provide you with a number of basic health care services at no cost. Please note that most are only open one day per week.

Most Free Clinics provide services only to people with no health insurance, or people who are also within certain income limits. Some Free Clinic require that you are both uninsured and below a certain income level.

Call the Free Clinic nearest to you to see if you qualify for their services.
