

2019 Lost Valley Skiing & Snowboarding Program

Hello Skiers and Snowboarders Third grade and Up!

It's time to start planning the upcoming Bowdoinham Lost Valley program! You may have already received an email with a registration link from Lost Valley. Last year, I used their new on-line registration system for each Bowdoinham participant and declined passing this task on to you. This year they are asking for participants to utilize the link individually. **lostvalleyski.com/bowdoinham.html**

We are combining this program with Bowdoin and I will still run the bus as usual!

Your Pass covers 3-8pm all six Fridays.

Dates: Jan 11th-Feb 15th

Lessons: 6-7:15pm includes a lift ticket valid 3-8pm. If using our bus transportation, the child would still have time to use this ticket to practice on the beginner slope before and after the lesson.

Level 1 & 2 may not be capable of riding the chair lift the first few weeks. It is recommended that parents/chaperones be available in the learning corral.

Bus Schedule: Due to the firm Lost Valley 6week Group changes with extended time on the slope, I have extended the bus schedule to our Friday night program (this will be the 2nd year for this extended schedule).

The bus will leave Bowdoinham Community School at 4:30pm and leave Lost Valley at 8:15pm. This gives skiers at least 2hours, 6-8pm. You can hit the slopes as soon as you arrive.

*The first day, you will receive a zipper ticket to use for the 6weeks.

Waivers: I will not have registration forms this year for your families. After you register on-line you will be prompted, possibly by an automatic email, to download a Bowdoinham/Bowdoin waiver. This needs to be turned in to the town office or you may send it to school with your elementary student for Mrs. Russell to collect for me. Or you may scan and email to me directly. I will have copies in the town office.

Deadline is Dec 15th. Late fee is \$15 per child as per Lost Valley.

If you plan on **renting** equipment from Lost Valley, the fitting for Bowdoin & Bowdoinham is **December 19th at 6:30pm** at the Brunswick Recreation Department at 220 Neptune Drive, Brunswick Landing (old Navy Base). This saves you time on Jan 11th if you have already been fitted.

Chaperones: The number of chaperones needed will depend on the how many students register. I am sending a list of chaperone names to Tadd from the last two years. I hope to continue with at least 4 adults. I appreciate everyone's time and commitment to this Friday night program. Thank you for your help in past years with rosters, rollcall, helping kids with tickets, rentals and lessons.

Feel free to contact Tadd, Justin or myself with any questions. Most of the information you will be looking for will be on the website and within the registration process.

I will be in touch with you as soon as we have a roster after Dec 15th.

Thank you,

Allen Acker
