Celebrate Bowdoinham Tabling Plans:

Village Partnership Initiative survey and maps will be presented by Age Friendly Committee and/or CDAC at their table(s).

Comprehensive Planning Committee Priorities of Projects Survey will be main priority of our table. Yvette is providing large printed poster version of the Survey for stickers to be placed on as well as providing the colored stickers and easel for display. A QR code is available for online version of survey. Jason will print paper copies of the online survey for folks who want them.

One printed copy of the full version of the newest Comp Plan (in color) will be available.

Large maps to display including "new growth area", "land use", "future land use", and "definitions".

Flip chart of paper should be available to record general comments.

Have maps/talking points ready for each of the priority items on the survey. Use a numbering system (associated with the priority survey) for later reference of general comments on the flip chart paper.

New Waterfront Plan/Images/Maps should be available to address questions/concerns/comments.
