The 1 Ton R3-282 is the most popular for cemetery work.

You can buy the R3-282 directly through our website. Contact us for a shipping quote on all other Tripod models.

Wallace Cranes offers portable aluminum adjustable tripods in 1-5 ton capacities. These lightweight models are easily transportable and can be assembled/disassembled quickly making them an ideal choice for repair and maintenance jobs located off-site.

All units include a standard base with lashing cable to prevent overspreading of legs.

Rubber Base Pad Kits, Mud Base Plate Kits, and Spike Base Kits are optional accessories available for every model.

- [Earn Loyalty Points](#)
 - Sturdy lightweight construction for quick set-up and take-down

- Easily transportable
- Available in 1 to 5 Ton Capacities
- Adjustable heights available from 5'6" – 19'0"
- Machined alloy heads holds free swiveling eye-bolt which always hangs plumb
- Spring loaded bolt (adjustable models only) locks in "out" position
- Legs rest securely on standard base – optional base accessories available for different surfaces
- Lashing kit provides an extra precaution against slipping and can be used with all base accessories
