Re: Annual Report of Overlapping Debt

To the Officials of the Town of Bowdoinham,

This letter serves as a certification regarding the current financial status and liability of Sagadahoc County.

Please be advised that as of June 30, 2026, Sagadahoc County carries no outstanding bonds, long-term liabilities, or short-term notes. All county infrastructure, capital improvements, and operations are fully funded through cash reserves and current revenues.

Because the county maintains zero debt, there is no overlapping debt to be allocated to Bowdoinham or its taxpayers. Consequently, when calculating your municipality's total debt burden for financial statements, bond ratings, or audits, the county portion of overlapping debt must be reported as $0.00.

Best regards,

Jillian A. Flaherty
