## Memo:

**To:** Select Board,  
Nicole Briand, Town Manager      **Date:** October 7th, 2025

**From:** Jason Lamoreau, Director of  
Recreation & Community Services      **Reference** Middle Field Scoreboard

### **Request to Purchase Solar-powered Electronic Scoreboard for Middle Baseball Field**

#### **Summary**

Since August 2025, the Recreation Department, along with strong support from baseball parents, Ararat Baseball and Cathance Cubs, has been fundraising to purchase and install a new solar-powered electronic scoreboard with a wireless controller system to help modernize Middle baseball field. Our current scoreboard, a manual model from the 1980s, has served generations of players and fans. But it's time for a modern upgrade that reflects the energy and spirit of Bowdoinham baseball. The new scoreboard will be solar-powered with no recurring costs, environmentally friendly, and a huge boost to the game-day experience. Generous donations have come in from local companies including Scott Temple Well Drilling, Priority Real Estate Group, Ancorum Credit Union, Little Schoolhouse on Main, Glenn's Lobster, West Branch Technical Services, Laskey Physical Therapy as well as the Brunswick Police Department and many local residents of the Town!

Volunteers are ready to install the new scoreboard behind the center field fence, once it arrives, on a pressure treated lumber frame, with materials purchased with raised funds in addition to donated materials from Home Depot in Topsham. The goal would be to take delivery of the new scoreboard and have it installed this fall, ahead of the busy spring sports season.

#### **Request**

The Recreation Department would like to order a Nevco Baseball & Softball scoreboard Model 1650 in color "royal blue" with red trim lines and digital number display along with the wireless handheld control, in-board wireless receiver kit, control carrying case and solar power kit for a total price of \$7,774.38.

Thank you for giving Nevco Sports, LLC the opportunity to provide a formal quote for your scoring and display project. Since 1934 we have been helping customer Light Up The Game with our high quality Scoreboards, Video Displays, Swimming Solutions, LED Scorers Tables and Message Centers. We certainly understand that you have many choices for scoring and display products and we would be honored to be selected as your partner for this exciting project.

The provided quote outlines your product selections. Please look it over carefully and work with your Nevco Scoring and Display Consultant to review and answer any questions.

Please note that Nevco is the manufacturer/supplier of your scoring equipment order and is not an installation provider. Your Nevco scoring consultant may guide you in securing a third-party installation firm to assist in the installation of your order.

We look forward to partnering with you on this very exciting opportunity!

**Placing Order:**

When you are ready to place your order, contact your Nevco Scoring and Display Consultant to walk you through the order entry process. Nevco will need the following information:

- Finalized equipment decision, including colors and digit selection
- Signed Print Ready Proof
- Delivery location/address
- Sales Tax Exempt (If Applicable)
- Signed Purchase Order, Full or Partial Payment (As Directed by Nevco Accounting)
- Bill to information – Invoice Remit

If you are incorporating school or sponsorship logos into your project, please view Nevco Graphics File Standards and submit with your order documents.
