

**Article 5:** Shall the Town vote to accept a section of Pratt Road beginning at the end of the public portion of Pratt Road, which public portion begins at Post Road and ends at a point adjacent to the northern boundary of Map R03, Lot 52, and ending at the northern edge of a turnaround installed in the summer of 2014 on the eastern side of said Pratt Road and measuring approximately 24 feet in width and approximately 50 feet in length which is approximately +/- 0.19 miles from the terminus of said public portion of Pratt Road. The +/- 0.19-mile section of Pratt Road proposed to be accepted is depicted on Exhibit A attached hereto.

**Explanation:** The March 13, 1978 Annual Town Meeting approved Article 46, which discontinued the portion of Dingley Road (now known as Pratt Road) from the northern boundary of Map R03, Lot 52 to the southern boundary Map R04, Lot 017). Eight parcels abut an approximate 0.19-mile previously discontinued section of (now) Pratt Road that is located north of Map R03, Lot 52. The Town has maintained this section of road since 2014. The portion of Pratt Road proposed for acceptance is the same portion of said road approved for winter maintenance pursuant to Article 3 of the Town Meeting Warrant dated November 4, 2025. All abutting property owners have made the written offer required under Maine statute (23 M.R.S. § 3025) stating that they are voluntarily transferring any interest they have in the described portion of Pratt Road without any claim for damages.

If the Town accepts this section of Pratt Road, then the Town will be responsible for all road maintenance and any future road upgrades.

Given under our hands this 14 day of April, 2026.
