Do you have an interest in supporting economic development in Bowdoinham? The Community Development Advisory Committee (CDAC) is seeking up to 3 new members.

CDAC is responsible for advising the Selectboard about how to develop plans designed to support and enhance economic development efforts. The Committee also works to implement the economic development recommendations of the Comprehensive Plan and assist Bowdoinham Businesses. Currently the committee is working on public art installations, the new waterfront park development, implementing the Walkable Village Plan, and developing plans to support the local arts community. CDAC meets at the Town Office and/or via Zoom on the 1st Tuesday of the month from 6:30 ~ 7:30pm. If this sounds like something of interest to you, call the town for an application or download it here: <https://bit.ly/3R8aQnZ>
