

Online & In Person CPC Priority Survey Results

Combined Survey Results	High	Moderate	Low	Unsure
Protect Open Space in Rural Ag District	50	28	4	0
Climate Action Plan	44	13	17	1
Ag Conservation Plan	39	39	9	2
Walkable Village Plan Update	37	24	16	1
Encourage Growth in Village Districts	36	17	19	1
Open Space Plan	33	26	7	2
Waterfront Pavilion Planning	32	31	16	0
Public Health Plan	26	25	17	3
Historical Preservation Plan	20	32	20	1
Forest Owner Outreach	17	35	17	3

Online Survey Results (46 responses) + Celebrate Board (37 responses) = Total	High	Moderate	Low	Unsure
Ag Conservation Plan	18 + 21 = 39	17 + 7 = 39	8 + 1 = 9	2 + 0 = 2
Climate Action Plan	21 + 23 = 44	9 + 4 = 13	14 + 3 = 17	1 + 0 = 1
Forest Owner Outreach	9 + 8 = 17	22 + 13 = 35	12 + 5 = 17	3 + 0 = 3
Historical Preservation Plan	8 + 12 = 20	20 + 12 = 32	15 + 5 = 20	1 + 0 = 1
Encourage Growth in Village Districts	14 + 22 = 36	14 + 3 = 17	17 + 2 = 19	0 + 1 = 1
Protect Open Space in Rural Ag District	24 + 26 = 50	18 + 10 = 28	3 + 1 = 4	0 + 0 = 0
Open Space Plan	17 + 16 = 33	22 + 4 = 26	6 + 1 = 7	1 + 1 = 2
Public Health Plan	8 + 18 = 26	21 + 4 = 25	13 + 4 = 17	3 + 0 = 3
Walkable Village Plan Update	13 + 24 = 37	16 + 8 = 24	15 + 1 = 16	1 + 0 = 1
Waterfront Pavilion Planning	15 + 17 = 32	19 + 12 = 31	11 + 5 = 16	0 + 0 = 0

1	anonymous	Grow our tax base to help pay for the rest of the items. We need housing and businesses.
2	anonymous	Can we just chill out and take a break from spending so much money??
3	anonymous	No more sidewalks, street lights or traffic lights. DO NOT NEED THEM. This is a rural area not a city. Stop trying to make it one. Need to keep TXES down so elderly and long time residents can stay in the community. I like the small town vibe. Don't need to attract anymore out of staters who want to change our little community.
4	anonymous	Stop spending tax dollars. You are driving long term residents out!!! Be conservative. Don't spend our money just to get federal money. Lower taxes! Groceries are expensive.
5	anonymous	Please don't force density and development in the Village District. Let it happen naturally. Forced growth always changes the character of the community and in hindsight it is rarely what the majority of residents envision. The significantly increased density will lead to the need for sewer and storm water treatment facilities as environmental regulations continue to become more and more restrictive. Maybe consider how to incentivize improvements to the existing village homes that are in need of significant improvements. Polish what we currently have and leave the density to Brunswick redevelopment where they have all the infrastructure.
6	anonymous	The Towns first plan should be to stop the growth of its debt burden.
7	anonymous	Thank you for giving your attention to this.
