Dear Nicole,

The trustees of the Pioneer-Knight-Small Cemetery (located on the Pioneer Road just off the White Road) are asking that they have a sign like our other Bowdoinham cemetery signs made (which they will pay for) with a simpler title--Pioneer Cemetery. They would like the name permanently changed to Pioneer Cemetery in our Bowdoinham records. Last night we voted as a Board to ask the Select Board to authorize the name change.

We will order the cemetery in the spring when we will be asking the Select Board to authorize several more cemetery signs at the same time.

Thanks,

Nina
