Please answer the following questions:

1. Please give a brief statement to inform the Select Board about why you are interested in the board or committee(s) you selected and what special skills or talents you would bring to the committee(s).

I am interested in the Age Friendly Bowdoinham Committee because I support their **Vision** – to help foster a physical and social environment focused on making the Town an inclusive, supportive and enjoyable place to live for persons of all ages, especially older adults and those living with disabilities. I am a retired registered nurse and worked the last twenty-four years of my career for Andwell Health Partners (formally Androscoggin Home Care and Hospice **AHCH**). I worked with policy, procedures and compliance insuring the agency met State and Federal Regulations and provided best practices care. I believe this knowledge and experience will be an asset to the committee.

2. Please tell us about prior experiences you may have had in volunteering or in community work.
I have been a volunteer for Ancorum Credit Union as a member of their Supervisory Committee for fifteen years. In the early part of my career as a School Nurse for M.S.A.D # 75, I volunteered on health promoting committees locally and in the State.

3. Please add other information you think would be helpful for the Select Board to know.
I am a 1974 graduate of the University of Southern Maine with a Bachelor of Science in Nursing degree. My career included working for M.S.A.D # 75 as a School Nurse, work at Central Maine Medical Center, Regional Hospital and home care. I have been retired for seven years. I have lived my whole life in Bowdoinham as a Millay family member.

Thank you for taking the time to complete this application. If you have any questions about the status of your application, please contact the Town Clerk's Office. The Town will keep your application active for 12 months from the date of receipt.
