Project Description:

500 sq ft Med grow

Submission Requirements (the following items are required):

- Site Plan Review Permit from the Planning Board.
- All applicable State licenses/registrations and permits.
- If State licenses/registrations and/or permits have been filed but not yet granted, then the applicant must provide a copy of said application(s).
- A scaled site plan showing (i) The shape, size and location of the lot to be built upon and structure(s) to be erected, altered or removed. (ii) Any structure(s) already on the lot. (iii) Depth of front yards of structure(s) and adjoining lots.
- Statement of intended use.
- Statement of how use meets performance standards.
- Documentation that the applicant has right, title or interest in the property.
- If the applicant's application is approved by the Select Board, their approval will be contingent upon their State approvals, a copy of which must be given to the Town Clerk before business commences.
- The applicant shall submit seven (7) copies of the application and all supporting documentation.

Burden of proof. The applicant shall have the burden of proving that the proposed project, development or land use activity is in conformity with the purposes and provisions of this Ordinance and any applicable State laws and rules.

By signing this application, as the foresaid applicant:

- I certify that I have read and completely understand the application.
- I certify that the information contained in this application and its attachments are true and correct.
- I understand that all the information provided on this form and all other documents submitted as part of my proposal is a matter of public record.
- I understand that copies of this information may be supplied upon request to an interested party.
- I understand that additional funds may be required through the course of review for special studies, legal review costs, and/or engineering review.
- I understand that it is my responsibility to know and pay for any tax penalty that may result from said project.
