

## Nationcraft 5×12 Cargo Trailer 5'6" Tall

We are now carrying Nationcraft trailers! The Nationcraft model comes with an **11 gauge frame**, which is quite a bit thicker than industry standard 14 gauge. They take it a step further and use **1×1-1/2" tube frame** in their wall and roof construction. This model also comes with a standard light over the side door, cam bar over the RV style Door lock, ATP stoneguard on all corners and back-up lights. All of our trailers will have AT LEAST 3/4" plywood floors and 3/8" plywood walls.

MO. PMT  
**\$123**

SALES PRICE  
**\$4 480**

**Just \$123/mo!**
