

(Scarborough) Bowdoinham Open Space (Investment) Priorities:

(Investment) Priorities

(What) How would you like (Scarborough) Bowdoinham to prioritize in the Town's approach to open space conservation?

For this activity, imagine you have \$200,000 to invest in open space conservation

in (Scarborough) Bowdoinham (20 \$10,000 bills.) You may spend from 0 to 20 \$10,000 bills on any category, for a total of \$200,000. Fund each category in terms of its importance to you. There are (six)-eight Resource Categories in which to spend your money:

- **Habitat**
- **Agriculture and Forestry**
- **Recreation may spend up**
- **Scenic Vistas**
- **Forests**
- **(Water Quality) Rivers/Streams**
- **Environmental Hazards**
- **Sea Level Rise**

(You can spend all of your money on one Resource Category or divide your funds between however many categories you'd like.) The Resource Categories that receive the most money represent areas where you feel the Town should prioritize conservation efforts.

(You have 20 \$10,000 bills. Please enter how many you would like to invest towards each category.)
