Updates:

- The additional information requested regarding the cost and revenue from Bulky Waste Day is attached.
- The State will be paving a portion of Pond Road and Main Street this summer.
- We have reimbursed \$8,134 from the insurance for the damage at the waterfront restrooms due to the freeze up; our deductible was \$1,000.
- On May 15<sup>th</sup> a vehicle backed into one of the garage doors at the Fire Station. We are working with the Sheriff's Department and insurance company to address the damage.
- RH Construction is working to get the insulation installation scheduled at public works and expects to complete the work in Town Hall in June.
- The Center Street retaining has been completed. The Ridge Road retaining wall is scheduled for the end of June after school is out for the summer.
- The bid opening for Back Hill Road and Spring Street reconstruction is scheduled for June 18th. Funding for this project will be contingent on Town Meeting budget approval.
- MSAD #75 has provided municipalities with an updated draft of their Facilities Usage Procedures and Fees policy to review, so that we may provide comments before it is finalized.

To Nicole Briand <nbriand@bowdoinham.com>

Good afternoon, last Select Board meeting, May 12, 2026, Select Board member Allen Acker asked what the cost of disposal was for Bulky Waste Day. Bulky Waste disposal for Gimmels was \$1020.88, Freon disposal for Ozone Savers was \$130.00 for a total of \$1150.88 . User fees collected from residents totaled \$1279.00

Please share this info with the Select Board at your convenience.
