

Bowdoinham Village Center Planning Study

The Town of Bowdoinham is working on a Planning Partnership Initiative project with the Maine Department of Transportation and a group of consultants to improve transportation, walkability, economic development, parks, and public spaces in Bowdoinham's Village.

We want to hear from you! Share your experiences and ideas about walking, biking, around Bowdoinham, Maily Waterfront Park and the boat launch, and more.

Take the Survey:

<http://bit.ly/bhamsurvey>

Attend the Public Meeting:

October 15, 2024, 6:30 PM

Kendall Room, Bowdoinham Town Office

Learn more about the project and view two concept drawings for Bowdoinham Village. You'll be able to provide your feedback to the project team.
