

RULES FOR USE OF BOWDOINHAM TOWN DOCKS AND LAUNCHING RAMP MAILLY WATERFRONT PARK

- For the courtesy of other boaters the launch ramp is for loading and unloading only unless otherwise designated.
- Overnight stays at the launching ramp or town docks must be approved by the Harbor Master.
- Park boat trailers only in designated parking area.
- In order to prevent ramp damage, no power loading on trailers.
- No alcoholic beverages, controlled substances, or disorderly conduct is allowed.
- Posting advertisements or other notices must be approved at the Town Office.
- Pet owners must clean up any fecal deposits left by their pets.
- No discharging of wastes of any kind, including but not limited to soaps, detergents and refuse. Please carry out all litter.
- The launching ramp and docks are designated as **NO SMOKING AREAS** while loading, unloading or refueling.
- All mooring owner skiffs/dinghies tied to the town docks must be registered with the Harbor Master. Due to the limited space skiffs should not exceed ten feet in length. Canoes and kayaks are discouraged.
- Boat wakes damage the shoreline, private property and plant habitat. Please be aware that **STATE LAW** requires headway speed while within the Water Safety Zone. "Water Safety Zone" is defined as the area within 200 feet of the shoreline. Because the Cathance River does not exceed 400 feet in width, headway speed should be observed.

**DURING SUNDAY NIGHT CONCERTS AT THE GAZEBO
FROM 6 TO 8 PM, BOAT LAUNCHING FACILITIES
INCLUDING PARKING MAY BE CONGESTED AND
TEMPORARILY UNAVAILABLE.**
