

Richard A. Ferrier Scholarship Fund

Guidelines

History and Purpose

A resident of Bowdoinham for many years, Richard Ferrier left a remarkable gift to his community through the Richard A. Ferrier Scholarship Fund...the gift of an education. Richard knew that there are many different ways to learn and that the journey itself is an important part of the process. His legacy supports Bowdoinham students in their journey and encourages them to consider the road less traveled.

This scholarship is for the “road less traveled,” meaning opportunities beyond the traditional school environment. Have you always wanted to take riding lessons? Do you picture yourself backpacking with Outward Bound? Want to perfect your soccer skills at a summer camp? Do you want to take dance lessons? How about taking up guitar? This fund will help you pursue your passion. *What do you want to do?*

Eligibility

Residents of Bowdoinham between the ages of 13 and 18 as of June 1 this year are encouraged to apply. There is a preference for applicants for whom a scholarship will make a demonstrated difference in his/her ability to participate in a program.

Awards

The number and size of awards each year depends on the number of applications and funds available. However, the committee considers this a partnership between recipients and the fund and expects the applicant and his/her/their family to contribute something to the opportunity. **Awards are not retroactive; the student’s program must start after June 1 of the application year.**

The committee will consider membership fees to join an organization (such as a golf club) as long as such fees are an integral part of a larger program of study. Membership fees that are not part of a larger project will not be considered. **The fund will not pay for equipment, nor Drivers’ Ed.**

Students seeking support for the YMCA Freedom Tour: please be aware that the committee does not make its determinations until after the June deadline. This award is not retroactive, if you are participating in the current year’s trip, we cannot consider your application. If you are seeking funding for the following year tour and are between the ages of 13 and 18 **by June 1 of NEXT year**, please submit your application this year. The maximum award for this trip is \$450.

Recipients will be notified in June. Award checks will be issued by the Maine Community Foundation and made payable directly to the sponsoring organization as scholarship support for the recipient.

Richard A. Ferrier Scholarship Fund Application

Assistance will be provided to students between the ages of 13 and 18 (as of the application deadline), who are residents of Bowdoinham pursuing their artistic, academic, athletic, and vocational or life’s passion outside of the traditional school environment (e.g., experiential education, tuition for summer programs or studies, or special athletic instruction). There is a preference for applicants for whom a scholarship will make a demonstrated difference in his/her ability to participate in a program. Awards are not retroactive.
