To Whom it may Concern,

I, Robert Gaudette Jr. Would like my name to be added to the Tier II application for the Farm Store at 50 Birchwood lane. I am in full support of the farm store and provide financial backing to Robert and Kate Gaudette in the off chance they may need my help. I offer them access to my line of credit at Citizens Bank and provide all the necessary help and support needed to make this project happen. My son and his wife are extremely hard workers and I am confident that they will create a compliant, successful, community based business out of their farm store.

Thank you,  
Robert Gaudette Jr.

Dear Members of the Planning Board,

We have taken the time to document some photos and measurements to demonstrate how the dumpster and buffer belonging to Kate & Robert Gaudette III of 50 Birchwood lane do not fall within the Birchwood lane Right of Way and are entirely located within the property owned by Robert Gaudette Jr.

Using the information from the Sidelines PA survey and the grade stake placed to show the Right of Way, we were able to determine that there is no encroachment of the dumpster or buffering.

Thank you.

Grade Stake, ROW goes 10' to the right of stake.
